

Earn Your MBA on Campus or Live via the Web in as little as 18 months!

A progressive and successful career path requires you to be flexible and easily adaptable to change in the workplace. We teach the core foundations of business and current leadership skills in our MBA program in response to the needs of regional employers in business, government, and non-profit organizations. Learning is immediately applicable to your workplace allowing you to add value as you progress in the program.

Advance your career by achieving an MBA at St. Andrews University (a branch of Webber International University). Consider the program benefits:

Convenient

- Students from the Laurinburg area attend classes on the St. Andrews campus.
- Students from outside the Laurinburg area generally attend classes live via the web using their personal computer.

Flexible

- The program is available year round through a four-term format (Fall, Winter, Spring and Summer).
- With small classes, usually less than 25 students, each course generally meets once per week from 6 to 10 pm
- Students can take up to two classes per term and complete the program in as little as 18 months.

Personal

- Develop meaningful connections with your professors and other MBA students
- Network with business leaders and nurture the connections needed for your future

Hands-on

- Through the Practicum course(s), students undertake group-based consulting projects under the guidance of faculty members.
- As an alternative, an individual develop an MBA Thesis, with the guidance of a faculty advisor, on a business-related research topic.

Accessible

- GMAT scores and two years of work experience are preferred, but not required
- Online application for admission is simple

MBA Program Requirements

The MBA Program requires the successful completion of 36 graduate-credit hours that consist of the following 12 courses.

- MBA 610 Information Systems Management
