

Dames of St. Andrews

The Dames of St. Andrews (women & men associated with the University) are continuing their project of providing birthday cakes, special occasion cakes, and/or surprises for students. The cakes are baked at home and will be delivered to the University for your son or daughter to pick up on the weekday date you request. This project serves three purposes:

- It gives the organization a contact with the students.
- It brings a “bit of home” to the students.
- The money goes to the Dames’ Scholarship Fund which provides a scholarship each year to a rising senior at St. Andrews. The Dames have given a scholarship each year now for over 25 years!

Due to busy schedules, the choices are: a regular sheet cake with icing, 24 cupcakes, a lemon pound cake without icing, or brownies (see form below). The cost per order is \$15.00. If you wish to take advantage of this service, please complete the form below and mail it with your check for \$15.00 as far ahead of the requested date as possible. We ask that you give us at least a week's notice. If you have any questions about the service inquire at (910) 277-5064. Please make any checks out to “Dames of St. Andrews” and send orders to:

Dames of St. Andrews
