

Bachelor of Arts in Business Administration With a Specialization in Criminal Justice Management

Get in the Business of Criminal Justice

At St. Andrews University, you will first step into our foundational Liberal Arts education track designed to sharpen your critical thinking skills and abilities. Once you have completed the "Breadth" work, you will dive in deep into your desired major.

If you are interested in the realm of Criminal Justice, The Business Department offers you a Specialization in Criminal Justice Management. Not only will you receive the valuable business knowledge necessary to gain the skills to succeed through a Business Administration Degree, you will also acquire knowledge specially tailored to the Criminal Justice Industry. The Specialization in Criminal Justice Management is an area of study that will academically take you from the introductory phases of Criminal Justice to the depths of various areas tailored to your interests. The objective of this specialized program is to prepare you for administrative, leadership and management roles within the Criminal Justice Industry. The course load grants you a unique hands-on experience through internships and interactive classes as you study key components of both Business and Criminal Justice.

Working closely with your advisor, you will have the ability to tailor the Specialization towards a desire for Corrections, Law, or Juvenile Law.

A Pathway to Diverse Career Opportunities

Whether your calling is law enforcement or law school, St. Andrews has the academic avenues to help you achieve your Criminal Justice career aspirations:

- Law Enforcement
- Corrections
- Lawyer
- Juvenile Corrections
- Probation/Parole
- Not-for-profit organizations
- MBA

St. Andrews
UNIVERSITY

A Branch of Webber International University

Mission

Our mission is to offer students an array of business, liberal arts and sciences, and pre-professional programs of study that create a life transforming educational opportunity which is practical in its application, global in its scope, and multi-disciplinary in its general education core. Students will acquire depth of knowledge and expertise in their chosen field of study, balanced by breadth of knowledge across various disciplines, while pursuing a degree at the associate, bachelor, or master level. Special emphasis is placed on enhancing oral and written communication, and critical thinking skills. The international quality of the student body enriches personal experience and promotes understanding of international cultures and influences. Through an atmosphere in which self-discipline, creativity and cultivation of ethical standards are enhanced, the University is dedicated to teaching its students the "how to learn, how to think, and how to apply method" to each new challenge.

At St. Andrews, Create Your Own Traditions

Commitment to student success. We offer small classes to ensure personalized attention. 14-1 student/faculty ratio in your major courses. Faculty bring real life experience into your classes. This will allow you to feel like you are not just a number at St. Andrews and our programs help you reach your career goals.

Academic advising. Our faculty are your academic advisors and are committed to your success. Each student will receive guidance based on his/her individual goals, interests and career aspirations. St. Andrews takes pride in providing this guidance to help ensure each semester that you are on track to graduate in four years.

Get connected. We want you to experience college by living on campus. Students have over 20 clubs and organizations for you to join to gain leadership, communication and organizational skills for the work place. Want to participate in a sport? We have over 25 men's and women's sports on campus and our athletes compete at the NAIA level. Sports are a great way to build teamwork and communication skills that employers look for with their employees.

Financial aid can be a big step in getting started at college. We want to spend time and walk through the process so you understand your options in the investment of your college education. That is our commitment to you! Financial aid is available for those who qualify, including loans, grants, federal work study and scholarships. St. Andrews University provides need-based and academic scholarships to qualified students. We encourage you to complete the Free Application for Federal Student Aid so our financial aid team can let you know what you are eligible for.

Accreditation. St. Andrews University is a branch of Webber International University. Webber International University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award degrees at the associate, baccalaureate and masters levels. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation.
