Office of Institutional Advancement

November 2021

Dear St. Andrews Alumni, Friends, and Supporters:

It is my pleasure to provide the *Annual Donor Roll*, a record of the generosity and support of alumni and friends of St. Andrews. Without these remarkable individuals, foundations, businesses, and organizations who make investing in St. Andrews a priority, our mission to advance education would not be possible.

It has been a challenging year for the University, given the economic climate and global pandemic. However, we recount several successful campaigns over this past fiscal year. We received overwhelming support for two special project campaigns; *Show the Students With Care* and the *Christmas Cheer* appeal. Alumni supported the now fully endowed *Paul Baldasare Presidential Scholarship Endowment*. The Laurinburg Area Campaign was also able to exceed its goal under the leadership of Allen Johnson, Class of 1992. We also introduced a new look and brand for the *Tower Club* and added the *Knight's Club* giving society.

As always, I wish to extend special recognition to the graduates and students of Flora Macdonald College and Presbyterian Junior College, who formed the foundation and basis for the University's establishment in 1958, 63 years ago. These graduates and students were the pioneers of a new university that community leaders of Scotland County and the Laurinburg community argued for its founding.

This report includes the name of individuals, corporations, businesses, organizations, and foundations who have given for the fiscal year of June 1, 2020, to May 31, 2021. Donor lists include alumni by class year, members of the Tower Club by giving society, friends, and businesses, tributes made in honor and memory of loved ones. We also recognize the Independent College Fund of North Carolina and its business affiliates' support for Scholarship Endowments.

Yours in gratitude,

Stanton L. Cadow, CFRE
Campus Vice President of Institutional Advancement

Tower Club Members For The Fiscal Year 2020-21

The Katherine Whitner McKay Belk Tower was constructed and dedicated on April 21, 1978, longstanding as an icon and symbol of St. Andrews. Rising 60 feet above Lake Ansley C. Moore on a peninsula off the causeway linking the two sides of campus and adorned at its pinnacle with a Celtic cross, the bell tower was demonstrative and rooted in the ethos of St. Andrews' Presbyterian foundation. For decades, its carillon of 16 bells regularly sounded across university grounds; its prominent location was visible from almost every point on campus, and it provided inspiration and audible beauty.

Thus, the Tower Club and levels of giving societies were established in recognition of this structure to encourage and recognize leadership giving to St. Andrews. Its structure was severely damaged by Hurricane Florence in September of 2018, and in August of 2019 had to be demolished for safety reasons. The bells and the Celtic cross were removed first and stored for preservation, which will be used when a new tower is constructed.

Membership is reserved for those cherished individuals, foundations, and organizations who are representative of the knowledge, strength, and compassion exemplified by the ideals of a St. Andrews liberal arts education.

THE ST. ANDREWS HERITAGE SOCIETY

The founders of St. Andrews Presbyterian College and the settlers of this region of North Carolina had the vision to provide quality, church-related higher education to young men and women from all walks of life. And for the past 40 years, planned gifts to St. Andrews have helped fulfill that vision.

St. Andrews was founded in 1958 by the merger of Flora Macdonald College in Red Springs, North Carolina, a four-year college for women that opened in 1896, and Presbyterian Junior College in Maxton, North Carolina, was founded in 1928. The founders of these institutions were Presbyterians of Scottish heritage who, in the 18th century, helped settle the Upper Cape Fear region of North Carolina. They believed deeply in the power of education.

Planned gifts to support St. Andrews have come from alumni who benefited from superior educations at all three institutions. Planned gifts have come to the college from individuals who still live in or trace their family heritage to this region of the country. Some planned gifts have come from individuals who simply believe in the mission of St. Andrews but have no direct link to the college, its predecessor institutions, or to the region. The St. Andrews Heritage Society seeks to honor all those who have established planned gifts for St. Andrews. In some small way, the Society also aims to recognize the importance of St. Andrews to thousands of alumni and friends around the country, particularly its importance to this region of North Carolina.

Bequests and life income gifts helped build St. Andrews and have strengthened its academic programs. Now more than ever, St. Andrews' future depends upon alumni and friends' gifts *today* to benefit the college tomorrow.

Mandate for the St. Andrews Heritage Society

The Society has been established:

- to ensure that St. Andrews has the financial resources to provide excellent educational opportunities for future generations of students;
- to recognize and honor those alumni and friends who make a commitment to the future of the college through a documented planned gift; and
- to honor and preserve the rich heritage of St. Andrews Presbyterian College.

Ways of Giving

The St. Andrews Heritage Society honors those alumni and friends who commit to the future of the college through a bequest, charitable remainder trust, life insurance policy, or life income gift to the Presbyterian Church Foundation for the benefit of St. Andrews.
